Website of the Week – Whitehead Designs

For anyone thinking of buying a quality piece of bespoke furniture that will last a lifetime, www.whiteheaddesigns.com is the perfect website.

Whitehead Designs hand builds classic and contemporary upholstered furniture from the finest materials available, creating beautiful, bespoke pieces. The company specialises in individually tailored pieces of furniture in a fabric of your choice, making it truly unique.

It also offers a rebuild service to bring an old piece of quality furniture back to life. After you have chosen your fabric, its craftsmen use traditional techniques to restore a piece of family history back to its former glory.

This upmarket, stylish website showcases its striking designs and has something which will appeal to all tastes. The website has been built to work on all the latest browsers and devices and has a gallery of images and individual product pages for ease of use.

All Whitehead sofas are made to order and take about six weeks to produce from receipt of fabric.
